Hansel, Jeana 9:30 AM:

So like I said I haven't seen any briefings slides before this and I don't know if this is doing too much for what the briefing is about. From what I've heard, briefings are mostly on risks with little time for BEAD work and we might actually want to keep it to a slide or two

Waterworth, Rebecca 9:35 AM:

I have heard the same thing.

Waterworth, Rebecca 9:35 AM:

At least about BEAD not having a lot of time.

Waterworth, Rebecca 9:36 AM:

There is not much content on the slides that I developed. I broke up our one slide into 4 just so it wasn't so crowded.

Hansel, Jeana 9:59 AM:

but check it out and let me know if it looks too crowded?

Waterworth, Rebecca 9:59 AM:

Will do! Signing in now.

Changed the wording (see lavender font) and added comments.

Waterworth, Rebecca 10:26 AM:

Perhaps, when you have taken this last pass, if you don't have any other questions/comments, let Monisha know that we are done.
